All Adopted Amendments are listed, by paper number (e.g., H-584 or S-222), together with the sponsor if it is a floor amendment or the designation "COMMITTEE" if it is a committee amendment.

Final action for each bill is listed to the right of the title. If final House action and Senate action differ, both are listed.

Please let us know if you would prefer a different format or additional information and if the summaries are helpful.

The House Amendment (H-270) added an emergency clause.

LD            AN ACT TO ESTABLISH A STATE COST-SHARE PROGRAM            PL 1987  
1545        FOR SALT AND SAND STORAGE FACILITIES.                            c. 473

Sponsor:   MICHAUD, Usher, Cahill, Whitcomb  
Committee Report:   OTP-A  
Amendments Adopted:  
H-221    COMMITTEE

SUMMARY:    The bill authorizes the Department of Transportation to administer a cost-share program to help local governments defray the cost of building adequate sand and salt storage facilities.    The intent would be to curb pollution of the State's waters from improperly stored road sand and salt mix.

The Committee amendment (H-221) adds a fiscal note, indicating that \$900,000 of highway bond issue funds will be dedicated for these facilities.

LD            AN ACT TO EXEMPT MUNICIPAL COMBINATION            PL 1987  
1554        SNOWPLOWS AND DUMP TRUCKS FROM THE WEIGHT                            c. 169  
              LIMITATIONS IMPOSED ON OTHER HIGHWAY VEHICLES.

Sponsor:   STROUT D, Macomber, McPherson  
Committee Report:   New Draft of LD 72

SUMMARY:    The original bill would have exempted any municipal vehicle engaged in either snow plowing or gravel hauling during the winter months from weight limitations on trucks.

The committee amendment (H-39) to the original bill would have exempted privately-owned vehicles which were operating under contract to a public entity as well.    They would have also extended the exemption to times of year when the trucks were not engaged in plowing because the permanent modifications required to attach a snow plow often put the truck in violation of one or more limit.

The new draft extends the exemptions provided in the original bill and committee amendment to all vehicles engaged in snow plowing or sanding.
