**LD** AN ACT TO DEVELOP A MANAGED CARE INSURANCE PLAN INDEF. PP  
**1574** DEMONSTRATION FOR UNINSURED INDIVIDUALS AND  
REPEAL OF THE CATASTROPHIC ILLNESS PROGRAM LAW EMERGENCY

Committee Report: New Draft of LD 573

SUMMARY: The original bill (LD 573) repeals the Catastrophic Illness Program. The original bill provides funds to develop and implement a managed care health insurance program for 3,000 previously uninsured individuals, primarily non-Medicaid eligible low-income citizens, in one urban and one rural site. These funds, combined with the money, \$250,000 a year, available from the repeal of the Catastrophic Illness Program law will be used to offer a model approach for financing and delivery of health services to Maine's uninsured population.

This funding is an integral part of the department's and the University of Southern Maine's Robert Wood Johnson Foundation proposal, which received approval for funding of \$409,701 over a 3-year period in January 1987.

The new draft adds an emergency preamble and adds some other provisions to the original bill. It adds a provision to allow the Department of Human Services to keep the balance of funds in the Catastrophic Illness Program as of June 30, 1987, to pay medical bills of those persons currently in the program and for those who apply by June 30, 1987. It adds a provision to require the Demonstration to report to the Joint Standing Committee on Banking and Insurance and to the Joint Standing Committee on Human Resources of the 114th Legislature during the 3rd year of the demonstration. It adds language clarifying that the plan will not be offered to groups, individuals within groups and certain individuals that have been covered by health insurance during the past 12 months.

The bill was withdrawn from the Appropriations Table because the funding was part of the Part II Budget (LD 1867). The language of the bill was also read into the Part II Budget (pages 144-146). The language concerning eligibility of certain groups and individuals from the new draft was reworded for clarity.
