AN ACT TO AMEND THE GENERAL ASSISTANCE LAWS (PURSUANT TO A STUDY COMMISSION)

CARRY-OVER

Sponsor: MANNING
Committee Report: CARRY-OVER

SUMMARY: This bill represents the legislation proposed by the Majority Report of the Special Select Commission on the Administration and Financing of General Assistance.

PART A establishes a comprehensive information and referral service for social services.

Part B Expands the Welfare, Employment, Education and Training Program (WEET) to increase the job training assistance to AFDC recipients.

Part C amends the residency requirements in regard to determining which municipality is responsible for General Assistance applicants. In the past there has been some confusion among municipalities regarding residency and assistance to relocate as relates to the General Assistance program. This part amends that law (1) to clarify the existing language wherever possible without changing the meaning and (2) to provide a procedure to resolve disputes between municipalities concerning which municipality is responsible.

Part D prohibits hospital expenses from being billed to a municipality's General Assistance program.

Part E prohibits general assistance disbursements in the form of cash. This recommendation of the Commission was not a unanimous recommendation of the majority report.
