LD AN ACT TO AMEND THE 2-INCH CLAM LAW.

ONTP

Sponsor: BEGLEY  
Committee Report: New Draft of LD 841 Minority Report

SUMMARY: The original bill sought to repeal the 2 inch clam law and allow municipalities the discretion of limiting the size of clams taken in their jurisdiction. The committee heard arguments from both opponents and proponents on the success of the program. The 2 inch clam law is scheduled for legislative review in the next session. The Committee felt it was appropriate to consider this measure at that time.

A minority of the committee reported a new draft, LD 1622, to clarify provisions for nonresident licenses in towns with reciprocal agreements and increase the percentage of nonresident licenses required in each municipality. The Senate accepted the majority ought not to pass.

LD AN ACT TO CLARIFY CERTAIN ERRORS AND

Committee Report: New Draft of LD 1531  
Amendments Adopted:  
H-223 MITCHELL

Current law requires that the council is to consist of no less than 7 members. With only 6 companies operating in this State, this requirement could not be met without some uneven representation. In order to avoid this problem, this bill changes the statute to allow the council to consist of no less than 5 members. It has become
