LD AN ACT TO AMEND THE POSTGRADUATE RESIDENCY  
1609 REQUIREMENTS FOR CERTAIN PHYSICIANS

PL 1987  
c. 239  
EMERGENCY

Sponsor: MARTIN, J., Pray  
Committee Report: New Draft of LD 413  
Amendments Adopted:  
H-167 ALLEN

SUMMARY: This bill changes the requirement to be registered as a physician in Maine from 2 years of education after medical school to 1 year.

The new draft reduces the two year requirement to 1 year only for doctors who have gone through the State's program for Postgraduate Education in the Field of Medicine and who return to practice in an underserved area of Maine. The State contracts with medical schools for 23 medical education spaces each year of whom approximately 60% return to a practice in Maine which would qualify them for debt forgiveness. In the past this referred to the specialty in which the doctor was to practice. Beginning with the 1981 contract students serving in an underserved speciality or geographic area has formed the basis for forgiveness.

House Amendment A reduces the 2-year postgraduate training requirement to one year only for persons who signed a contract for the State's program for postgraduate education at a time when this training requirement was for one year. The original bill reduced it for all applicants and the new draft reduced it for all persons taking part in the State's education program regardless of when they entered the program.
