c. 240  
EMERGENCY

Sponsor: BUSTIN, Lacroix  
Committee Report: New Draft of LD 889

SUMMARY: LD 1652, a new draft of LD 889 requires the Policy Review Board to study the feasibility of appropriate alternatives, including the use of an administrative support services pool to the use of temporary service contracts for employment with state agencies. In addition, this new draft requires probationary employees to be reviewed, at least once, at the end of their 3rd month of employment with the State. The new draft also removes the sunset provision on recruitment and retention stipends which are necessary to attract and retain employees in certain positions.

RESOLUTION, PROPOSING AN AMENDMENT TO THE  
CONSTITUTION OF MAINE TO INCREASE THE AGGREGATE  
LIMIT ON INSURED MORTGAGE LOANS TO \$95,000,000

LVWD

Sponsor: MURPHY, E., Estes, Dillenback  
Committee Report: LVWD

SUMMARY: This resolution to the Constitution of Maine, Article IX, Section 14-A, would have increased the maximum aggregate liability authorized to be outstanding at any time for insured mortgage loans from \$90,000,000 to \$95,000,000, and clarified that the Legislature may provide for insurance for mortgage loans for commercial as well as industrial, manufacturing, fishing, agricultural and recreational enterprises. Further, the resolution explicitly recognized the State's interest in promoting the retention, growth and vitality of business.

The resolution was proposed because other legislation authorizes the Finance Authority of Maine to insure up to an aggregate outstanding balance of \$5,000,000 in loans to businesses for removal and replacement of underground oil storage facilities. The resolution would have allowed such loans to be insured without cutting into the availability of insured loans for other businesses.
