SUMMARY: This bill provides the allocations needed for construction and renovation of several different correctional facilities. The funds allocated were raised by the State through the sale of bonds pursuant to authorization by the voters. A major amount of money was allocated to construct a free-standing maximum security prison for 100 inmates at So. Warren, Me. Additional stipulations formulated in (H-337) call for the creation of a Site Selection Advisory Committee which shall review site plans and the construction of the prison at Warren; and for a prohibition on construction of the new prison at Warren on state-owned property situated on the riverside of Route 97.
