AN ACT TO TRANSFER ADMINISTRATIVE AUTHORITY
OVER TRAFFIC INFRACTIONS TO THE SECRETARY OF
STATE

INDEF PP

Sponsor: (Reported Pursuant to Title 29, Section 2202
Committee Report: New Draft of LD 375

SUMMARY: The original bill, LD 375, proposed to completely transfer authority over the adjudication of traffic offenses to the Office of Secretary of State. The bill was submitted by the Secretary of State's Office as required by PL 1985, c. 800. It called for the creation of a separate adjudicatory office within the Secretary of State's Office to decide contested traffic infraction cases and provided for an administrative system to handle the processing and collection of fines for both contested and non-contested infractions. The additional costs for these new offices was to be offset by an increase in the fines for traffic violations. Additionally, the bill amended current law to delay the effective date of the transfer of authority over traffic infractions from the District Court until 1989.

The New Draft, LD 1835, proposed to limit the transfer of adjudicative authority over traffic infractions. Under the new draft, the District Court would retain authority to hear and decide contested traffic infraction cases. All persons stopped for a traffic infraction would be issued a citation to be returned to the Secretary of State. The Secretary of State's Office would handle any admissions of violations administratively and would transfer all contested cases to the District Court for trial. Once in District Court, the case would be treated just as it is now handled under the present system. This bill also delayed implementation of the new system until 1989.
