**LD 1876** AN ACT TO CLARIFY THE APPLICABILITY OF SOCIAL WORKER LICENSURE REQUIREMENT TO STATE EMPLOYEES PL 1987 c. 537

Sponsor: MARTIN, J., Perkins, Pray, Murphy, T.  
Committee Report: NOT REFD TO COMTE

SUMMARY: Public Law 1985, Chapter 736 which became law in July of 1986 required that all social workers be licensed and required, as a minimum, that the applicant have a bachelor's degree in social work and have completed a board administered examination. In a rather loosely written section, the examination requirement was waived for persons employed as social workers at the time of passage of the act if they applied for licensure prior to July 1, 1987. This bill extends this deadline to February 1, 1988.

This bill has some hidden fiscal implications and has a relationship to LD 1350 of this year.

1. At the time of the passage of last years legislation the fee for the lowest level license was \$50. It is now \$70, per LD 1350.
2. The emergency preamble to LD 1876 says that the costs of registration of state employed social workers is not in this year's state budget. In fact, the State does not pay such fees. If it did, delaying the requirement for registration would burden the State with the effect of the fee increase discussed above. And if it is true, the bill should have had a fiscal note providing for such expenditures beginning with February 1, 1988, the day that the requirement will now go into effect.
3. The Statement of Fact indicates that need for State social workers to be licensed is a recent change in interpretation of the law by the Board of Social Worker Registration. In fact, it is a new law which has created this requirement.
4. The budgetary projections supplied as justification for LD 1350 contained the registration fees assuming adherence to the July 1 deadline. This bill could have the effect of reducing board revenues for this fiscal year by as much as \$20,000.

5. No provision is made for persons who have already paid licenses' fee that this bill now removes the requirement to pay.

This was an after deadline Governor's bill and was not heard by the Committee.
