SUMMARY

The original bill would reinstate as criteria for notice of public proceedings the standards on expenditure of public funds or taxation or the adoption of policy. It would also provide for confidentiality of certain records of the Consumer Assistance Division.

The Committee Amendment provides that decisions of the Consumer Assistance Division which are publicly accessible shall be prepared in a way that does not disclose confidential customer information. It also changes the requirement of disclosure of customer information to the utility or agency involved to narrow the range of information that must be provided to that which is pertinent to the complaint.

CLARK N                                      LV/WD

SUMMARY

This bill would establish a new definition of telephone utility to account for changes in the field of telecommunications.
