SUMMARY
LD 2166 proposed the following:

1. to include a district attorney on the Intergovernmental Drug Enforcement Policy Board;
2. to establish the Director and Assistant Director of the Bureau of Intergovernmental Drug Enforcement as major policy-influencing positions within the Department of Public Safety;
3. to place the director of the Bureau of Intergovernmental Drug Enforcement in Pay Range 86 which is approximately \$32,000 - \$47,500;
4. to exclude from the State Employees Labor Relations Act investigative personnel of the Bureau of Intergovernmental Drug Enforcement; and
5. to change the status from "leave of absence" to "temporary assignment" of employees of the Bureau, including the director and assistant director, who leave other law enforcement agencies to work in the Bureau of Intergovernmental Drug Enforcement.

The individuals in the Bureau of Intergovernmental Drug Enforcement will remain as employees of their original agency of employment on a temporary leave status from their original agency. These individuals will also remain as members of their bargaining units in their original agency of employment.
