LD An Act to Expand and Clarify the Jurisdiction of the Maine State Pilotage Commission PUBLIC
2143 State Pilotage Commission 689

SPONSOR(S) COMMITTEE REPORT AMENDMENTS ADOPTED
GOULD R R OTP-AM S-365

SUMMARY

The original bill and the original committee amendment expanded the jurisdiction of the Maine State Pilotage Commission. Of particular concern was expansion of the Commission's authority to cover the Piscataqua River. After re-referral to the committee the committee excluded the Piscataqua River and established a date for the Pilotage Commission to report back to the Business Legislation Committee on the outcome of discussions with the New Hampshire Port Authority, the Coast Guard and the United States Navy regarding licensing of pilots on that river.

SUMMARY

New Draft Of LD 1044

The original bill was held over from last session and deals with home construction contracts and a statewide building code.

This new draft requires written contracts for any home construction contract to build, remodel or repair a residence or garage which totals more than \$1,400 in materials and labor. It allows parties to exempt themselves from the provision of this new draft by mutual agreement. The new draft does not include the provisions for a statewide building code which were part of the original bill.
