SUMMARY

New Draft Of LD 1240

The original bill which was carried over from the First Session would have established the Maine Choice Scholarship Fund patterned after the Blaine House Scholarship Program to provide loans of up to \$2000 per year (\$10,000 total) to qualifying students for post-secondary study.

The new draft clarifies that a loan program is to be established, not a grant program, refines the terms "underserved professional subject area" and establishes that loans are available to already enrolled post-secondary students as well as graduating seniors.

The bill calls for the development of an educational plan for the students by the unit and approval of the plan by the Commissioner of the Department of Educational and Cultural
