### SUMMARY

SPONSOR(S)

BALDACCI TELOW

ND Maj Rpt of 2104

Current law includes "wine coolers" under the bottle bill, beginning April 1, 1988. The definition of wine cooler includes more wine beverages than simply wine coolers. The original bill would have revised the definition to be based on at least 15% added water.

The New Draft (LD 2544) (Majority Report) would have changed the definition of wine cooler to be based on at least 3% added water.

House Amendment "A" (H-513) changes the definition to be based on any amount of added water. It also requires the Bureau of Public Services to report on the effect of the law by January 15, 1989.

### SUMMARY

New Draft Of LD 2135

The original bill (LD 2135) would have enacted a procedure, similar to municipal charter procedures, for changing the charters of quasi-municipal corporations.

The New Draft (LD 2583) provides a simplified procedure for amending or revising the charters of quasi-municipal corporations or districts. In general, the procedure provides for local approval before legislative action.

House Amendment "A" (H-524) makes a technical correction.

Senate Amendment "A" (S-387) changes the definitions of "amendment" and "revision", and provides for ballot inspection and recount.
