OTP-ND-NT	Ought to Pass in New Draft, New Title
OTP-A	Ought to Pass as Amended

SUMMARY

This bill permits the Bureau of Forestry to lease out the state nursery to produce commercial tree seedlings. The nursery was no longer operating at a profit. The leasee will pay the state \$25,000 per year. Senate amendment B (S-13) added a fiscal note and removed the emergency preamble because the bill involved a lease arrangement of more than 5 years duration.

AMENDMENTS ADOPTED
H-135
H-180 COLES

SUMMARY

This bill clarifies statutory language for the enforcement of forest fire laws by forest rangers of the Maine Bureau of Forestry. Forest rangers have encountered technical problems while enforcing fire control laws. This bill addresses some of those problems. Committee amendment B (H-135) removed sections of the bill that amended the Maine Criminal Code and allows the court to require restitution costs to be paid by violators. House amendment B (H-180) defines the term, "power-driven equipment". The amendment also prohibits the operation of such equipment within 1000 feet of a forest when the equipment does not have a spark arrestor.
