All Adopted Amendments are listed, by paper number (e.g., H-584 or S-222), together with the sponsor for floor amendments. Final action is listed to the right of the title. If final House and Senate action differ, both are listed. Committee Reports and Floor Action are abbreviated as follows:

OTP	Ought to Pass
OTP-ND	Ought to Pass in New Draft
OTP-ND-NT	Ought to Pass in New Draft, New Title
OTP-A	Ought to Pass as Amended

Each individual summary was prepared by the analyst assigned, as noted for each committee. But, this document was produced by the efforts of all the office staff, including Research Assistant Barbara McGinn, and secretaries: Charlene Brann, and Valarie Parlin, and especially Laurette Knox who coordinated preparation of the overall document.

Please give us your suggestions and comments on these summaries and tell us of any inaccuracies.

SUMMARY

This bill would have required that a portion of the funds administered by the Maine Educational Loan Authority to provide financial assistance for college costs be set aside for low and moderate income students and families. This bill would have also provided for the deferring of interest accrued on student loans administered by the authority while the student was enrolled full-time in an institution of higher education.

SUMMARY

This bill amends several provisions of current law to strengthen compulsory attendance provisions, to clarify alternative program provisions for at-risk youth and to provide injunctive relief in District Court to ensure compliance with compulsory attendance laws.

The committee amendment makes several changes to strengthen the bill, including: clarifying the equitable jurisdiction of the District Court and eliminating the monetary penalty for violation of compulsory attendance laws, strengthening the informal process for resolving a truancy case by the superintendent, making it a violation of the child labor laws to employ a truant, providing for selection of the members of a local dropout prevention committee by the represented groups, and granting rulemaking authority to the commissioner.
