OTP-ND-NT	Ought to Pass in New Draft, New Title
OTP-A	Ought to Pass as Amended

Each individual summary was prepared by the analyst assigned, as noted for each committee. But, this document was produced by the efforts of all the office staff, including Research Assistant Barbara McGinn, and secretaries: Charlene Brann, and Valarie Parlin, and especially Laurette Knox who coordinated preparation of the overall document.

COMMITTEE REPORT

LV/WD

AMENDMENTS ADOPTED

SUMMARY

This bill proposes 2 major changes to the laws regarding operating a motor vehicle under the influence.

First, the bill changes the definition of "blood alcohol level" to "alcohol concentration" throughout the OUI laws to reduce the need to convert the result of a breath test into terms of a blood test.

The bill also authorizes law enforcement officers to request that a person stopped on suspicion of OUI take a preliminary breath test. The preliminary test intended is a screening device, the results of which may be used in establishing probable cause to arrest an OUI suspect and subject that person to the duty to take a full blown breath or blood test.

AMENDMENTS ADOPTED

SUMMARY

This bill, an initiated bill, is the product of Maine Common Cause. The bill creates a voluntary system of public financing of gubernatorial elections. The proposal sets an overall limit on spending, limited acceptance of contributions by candidates who accept public financing and provided matching funds, derived from an income tax checkoff, for small contributions from individuals.
