JOINT STANDING COMMITTEE
BILL SUMMARIES
AUGUST 1989

This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees and Joint Select Committees of the Maine Legislature. The summaries are arranged by LD number for each committee.

All Adopted Amendments are listed, by paper number (e.g., H-584 or S-222), together with the sponsor for floor amendments. Final action is listed to the right of the title. If final House and Senate action differ, both are listed. Committee Reports and Floor Action are abbreviated as follows:

OTP	Ought to Pass
OTP-ND	Ought to Pass in New Draft
OTP-ND-NT	Ought to Pass in New Draft, New Title
OTP-A	Ought to Pass as Amended
ONTP	Ought Not to Pass
LVWD	Leave to Withdraw
INDEF PP	Indefinitely Postponed

Each individual summary was prepared by the analyst assigned, as noted for each committee. But, this document was produced by the efforts of all the office staff, including Research Assistant Barbara McGinn, and secretaries: Charlene Brann, and Valarie Parlin, and especially Laurette Knox who coordinated preparation of the overall document.

Please give us your suggestions and comments on these summaries and tell us of any inaccuracies.

<u>SPONSOR(S)</u> MILLS HASTINGS	<u>COMMITTEE REPORT</u> LV/WD	<u>AMENDMENTS ADOPTED</u>

SUMMARY

LD 310 proposes to remove the town of Lovell from House District 49 and place it in House District 48. The town of Stoneham will be removed from House District 48 and placed in House District 49.

The bill failed to receive committee approval because the 1990 Census, which will be used for reapportionment of the Maine Legislature in the 1990's, is very close. In addition, the committee was concerned that this bill would serve as a catalyst for transferring municipalities across the State from one legislative district to another.

LD 317 **RESOLUTION, Proposing an Amendment to the Constitution of Maine Requiring Successful Gubernatorial Candidates to Receive More than 50 Percent of the Votes Duly Cast** **ONTP-MAJ REP ACCEPTED**

SUMMARY

LD 317 proposed that any person elected Governor of Maine receive a majority of the votes cast for Governor. In the event that a candidate does not receive a majority of the votes in a general election, a runoff election would be held. The runoff election would occur within two weeks following the convening of both Houses of the Legislature in January to certify the initial general election results.

A minority of the committee supported a Committee Amendment that proposed to create a commission to study and make recommendations concerning the process and schedule for a run-off election, and the withdrawal of candidates from a run-off election. The Legislature would adopt a law governing the scheduling and the process of a run-off election.
