AMENDMENTS ADOPTED

H-41

SUMMARY

This bill changes the next reporting deadlines of the Therapeutic Pharmaceutical Monitoring Panel to February 15, 1989, and February 15, 1990. This panel deals with the employment or prescribing of drugs by optometrists and ophthalmologists and concerns itself with side effects and misuse.

Committee Amendment "A" deletes the requirement that the Therapeutic Pharmaceutical Monitoring Panel submit its reports to the Governor, the President of the Senate, the Speaker of the House, the State Board of Optometry and the State Board of Registration in Medicine. It also removes the requirement that the panel make its reports by certain dates.
