SUMMARY

This bill allows owners of camp trailers to register those vehicles for 6 months or one year, at the owner's option. If an owner chooses to register the vehicle for 6 months, the registration fee will be 1/2 the annual fee. The fee for registration of a camp trailer is now \$8.50, if less than 2,000 pounds gross weight, and \$16 if greater. The registration year for camp trailers begins March 1, and registrations after November 1 are half price. There are 20,000 camp trailers registered. The majority are over 2,000 pounds.

AMENDMENTS ADOPTED

H-80

SUMMARY

This bill requires operators of motorcycles to keep both wheels on the ground while operating the motorcycle.

CA (H-80) This amendment clarifies the bill by prohibiting the motorcycle operator from raising the front wheel off the surface on a public way or in a public parking lot. Violation would be a traffic infraction as defined by 29 MRSA §1, sub-§17-C. The amendment also drops the exemption in the bill for law enforcement officers.

**LD 711 An Act Relating to the Expiration of a Valid Certificate of
Inspection on a New or Used Motor Vehicle**

AMENDMENTS ADOPTED

SUMMARY

Recent legislation was enacted requiring dealers to provide valid inspection of vehicles on the date of sale. For vehicles which have passed inspection within 90 days, the bill provides a period of 5 business days for the dealer to provide for the new inspection. If the new owner fails to make the vehicle available during that time, inspection would become the new owner's responsibility.
