SUMMARY

This bill would have created the Youth-at-Risk Alternative Education Program to help school units address middle and high school dropout rates. The program would have consisted of a grant program to schools to plan for and to implement dropout prevention programs.

SUMMARY

This bill relates to approval of budgets in community school districts. The bill would require district school committees to submit copies of articles to be included in a budget warrant to municipal officers of each municipality in the district 30 days before the printing of the warrants. Municipal officers would then have 20 days to review the proposal. If municipal officers had a joint recommendation to make regarding the proposal, that joint recommendation would be included on the warrant.
