OTP-ND-NT	Ought to Pass in New Draft, New Title
OTP-A	Ought to Pass as Amended

Each individual summary was prepared by the analyst assigned, as noted for each committee. SUMMARY

The bill required that fresh produce imported from a foreign country bear a country-of-origin label if that country allows the application of pesticides to produce that are banned in the United States or the rate or manner of application of which is not allowed under federal law.

The committee amendment reduced the penalty for not labeling produce originating in certain countries from a Class E crime to a civil penalty with a fine of not more than \$100 and added language repealing the law on July 1, 1991.

AMENDMENTS ADOPTED
H-374
H-450 TARDY

SUMMARY

The bill clarified the power of the Maine Milk Commission to enter into multistate compacts for the purpose of setting minimum milk prices. It specifically gave the commission authority to enter the Northeast Interstate Dairy Compact.

The committee amendment retains the purpose of the original bill and directs the Maine Milk Commission to enter into the Northeast Interstate Dairy Compact when the compact is ratified by 3 other states and approved by Congress.

H-450 clarifies that the Milk Commission's price-setting will not be delegated to the Northeast Interstate Dairy Compact.
