H-199

SUMMARY

The original bill appropriates funds to provide one adult protective services caseworker in each of Regions I, IV and V, and a supervisor in Region III. The bill also appropriates funds to place 3 mental health geriatric resource persons in unserved areas, and assessment and treatment funds to comply with the United States Omnibus Budget Reconciliation Act of 1987. This bill also funds 2 6-bed long-term psychiatric group residences to deinstitutionalize public wards who could safely live outside of Augusta Mental Health Institute and Bangor Mental Health Institute.

Committee Amendment "A" changes the appropriation section of the bill to reflect the funds needed by each of the named departments according to the fiscal note on the bill. It also changes the community mental health services section to provide funds for 2 geriatric mental health resource persons rather than 3, and directs the remaining funds to be used for treatment services in the affected regions. It also corrects a technical error.

This bill was carried over by the Appropriations Committee.
