All Adopted Amendments are listed, by paper number (e.g., H-584 or S-222), together with the sponsor for floor amendments. Final action is listed to the right of the title. Committee Reports and Floor Action are abbreviated as follows:

OTP	Ought to Pass
OTP-ND	Ought to Pass in New Draft
OTP-ND-NT	Ought to Pass in New Draft, New Title
OTP-A	Ought to Pass as Amended
ONTP	Ought Not to Pass

Each individual summary was prepared by the analyst or analysts assigned to the committee. But, this document was produced by the efforts of all the office staff, including secretaries: Charlene Raymond, and Valarie Parlin, and especially Laurette Knox who coordinated preparation of the overall document.

Please give us your suggestions and comments on these summaries and tell us of any inaccuracies.

This committee amendment (H-740) replaces the original bill and adds the Department of Conservation to the agencies that must be consulted by the Department of Transportation when determining whether to lease or purchase an abandoned railroad line.

LD 1910 **An Act to Adjust Commercial Motor Vehicle Fees** **PUBLIC 896**

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
MACOMBER TWITCHELL MCPHERSON STROUT D	OTP-AM	H-1036 MOHOLLAND H-948

SUMMARY

This bill would have reduced the fee for the commercial vehicle fuel use identification decal fee from \$15 to \$7.50.

The committee amendment (H-948) reduces the fee from \$15 to \$5 so it will simply cover the cost of administration of the fuel use decal program. The decal is generally required for motor vehicles registered for a gross weight exceeding 26,000 pounds or designed to carry 20 or more passengers and that use a fuel other than gasoline. This amendment implements the settlement of a civil suit that successfully challenged the higher fuel decal fee, American Trucking Associations, Inc., et al. v. G. William Diamond, Secretary of State, Kennebec County Superior Court Docket No. CV-89-410. The effective date of the fee reduction would be July 1, 1990, or the date of final approval by the court of the settlement agreement, whichever is later.

The House amendment (H-1036) changes the effective date to July 1, 1991, and removes the emergency clause and the contingency.
