SUMMARY

This bill, a unanimous final recommendation of the Commission on Manufactured Housing established by P&S 1987 c. 139, clarifies that mobile home park tenants are entitled to one year's written notice prior to eviction necessitated by renovation or reconstruction of the park and 30 days' written notice in cases of temporary eviction unless eviction is immediately necessary to correct a problem threatening residents' health or safety. The bill requires the park's owner to bear the cost of temporary relocation unless the tenant agrees otherwise in a signed writing separate from the lease.

Committee Amendment "A" allows a mobile home park owner to give a tenant only 6 months' written notice of a permanent eviction occasioned by renovation or reconstruction if the owner has found a reasonable alternative location for the tenant.

SUMMARY

This bill, a unanimous final recommendation of the Commission on Manufactured Housing established by P&S 1987 c. 139, expands the scope of Maine's new mobile home warranty to include out-of-state dealers who sell homes foreseeably bound for installation in Maine, as well as the installers and transporters that handle those homes. The bill also requires the Manufactured Housing Commission to study the feasibility of licensing out-of-state dealers.

Committee Amendment "A" replaces the bill's provisions regarding application of the new mobile home warranty with a new section on application of the law and a redefinition of the term "dealer" used in Title 10 MRSA c. 213.

House Amendment "A" replaces the definition of "dealer" added by Committee Amendment "A" with a new definition.
