AMENDMENTS ADOPTED**SUMMARY**

Under the Maine Revised Statutes, Title 22, sections 3477 to 3479-A, counseling professionals are required to report to the Department of Human Services cases of abuse, neglect or exploitation of an incapacitated adult. The laws governing the licensing and regulating of counseling professionals neglects to mention this reporting requirement. This bill clarifies the fact that counseling professionals are required to report cases of abuse, neglect or exploitation of incapacitated adults, and requires compliance for licensure.
