SUMMARY

This bill, a unanimous final recommendation of the Commission on Manufactured Housing established by P&S 1987 c. 139, requires a mobile home park owner intending to sell the park to give tenants 45 days' notice of the sale before entering into a agreement to sell the park or, alternatively, to enter into an agreement, enforceable by tenants, whereby the buyer agrees not to change the use of the park for 2 years after the transfer.

Committee Amendment "A", which replaces the bill, clarifies that the owner may either give tenants 45 days' notice or restrict change of use of the park for two years. The amendment also makes it clear that the owner may provide additional notice to tenants and provide for additional land use restrictions.

House Amendment "A" allows a park owner to obtain an option to sell the park during the 45 day notice period.
