**One Hundred and Fourteenth Legislature
Second Regular Session**

**Joint Standing Committee
Bill Summaries**

June 1990

This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees and Joint Select Committees of the Maine Legislature. The summaries are arranged by LD number for each committee.

All Adopted Amendments are listed, by paper number (e.g., H-584 or S-222), together with the sponsor for floor amendments. Final action is listed to the right of the title. Committee Reports and Floor Action are abbreviated as follows:

OTP	Ought to Pass
OTP-ND	Ought to Pass in New Draft
OTP-ND-NT	Ought to Pass in New Draft, New Title
OTP-A	Ought to Pass as Amended
ONTP	Ought Not to Pass
LVWD	Leave to Withdraw
INDEF PP	Indefinitely Postponed

Each individual summary was prepared by the analyst or analysts assigned to the committee. But, this document was produced by the efforts of all the office staff, including secretaries: Charlene Raymond, and Valarie Parlin, and especially Laurette Knox who coordinated preparation of the overall document.

Please give us your suggestions and comments on these summaries and tell us of any inaccuracies.

goal by providing refuse disposal districts with the capabilities available to municipalities who enter interlocal agreements under the Maine Revised Statutes, Title 38, section 1304-B.

LD 2491 **Resolve, to Authorize the Director of the Bureau of Public Improvements to Sell a Parcel of Land to the Warren Sanitary District** **RESOLVE 93**

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
HOLLOWAY CARPENTER MAYO	OTP-AM	S-680

SUMMARY

This resolve enables the construction of a sewerage treatment plant to service existing and proposed state facilities in Warren. The Bureau of Public Improvements needs legislative approval to transfer a parcel of land to the Warren Sanitary District on which it can expand its sewage treatment facility.

The committee amendment (S-680) clarifies that the resolve authorizes the Bureau of Public Improvements rather than the Bureau of Public Lands to sell a parcel of land to the Warren Sanitary District and adds a fiscal note.

LD 2492 **An Act to Reduce Costs to County and Municipal Government by Delaying the Implementation Dates of Certain State Mandates** **PUBLIC 926**

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
CAHILL P REED LUDWIG SMALL	OTP-AM MAJ ONTP MIN	

SUMMARY

This bill delays compliance schedules faced by municipalities to remove underground oil storage tanks and to construct salt-sand shed. The committee split between a majority ought to pass as amended report, which would have extended the compliance schedule only for salt-sand shed construction, and a minority ought not to pass report. While the House adopted the majority report, the Senate engrossed the original bill. A committee of conference agreed to recommend passage of the original bill.

LD 2493 **An Act to Amend the Maine Environmental Protection Fund Air Emission Fee Schedule** **INDEF PP**

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
DEXTER LORD		

SUMMARY

The bill, which was not referred to committee, would have enacted provisions tying the cost of an air emission license directly to the quantity of emissions. See L.D.s 2360, 2432, 2445 and 2511.
