LD 17 **An Act Concerning the Use of Headlights in Inclement Weather** **PUBLIC 21**

SPONSOR(S) TRACY	COMMITTEE REPORT OTP-AM	AMENDMENTS ADOPTED H-19
----------------------------	-----------------------------------	-----------------------------------

SUMMARY

This bill more clearly defines inclement weather conditions that require operators to use their headlights and taillights. The bill adds a civil fine of not less than \$50 for violating this act. The bill also removes a redundant provision regarding headlights from another section of law.

Committee Amendment "A" (H-19) amends the first section of the bill making more stringent the requirement that vehicle lights be illuminated when lighting or weather conditions obscure vision, by changing the distance requirement from 500 to 1,000 feet ahead. It also removes the civil forfeiture from the bill, deletes antiquated and unnecessary language from the original law and adds a fiscal note.

LD 22 **An Act Discouraging Littering of State Highways** **LV/WD**

SPONSOR(S) FARNUM	COMMITTEE REPORT LV/WD	AMENDMENTS ADOPTED
-----------------------------	----------------------------------	---------------------------

SUMMARY

This bill would have required any person who blew out a tire on a public way to pick up the pieces. Additionally, the bill would have made it a civil violation to leave blown-out tires on public ways.

LD 25 **An Act to Require That Children Riding in the Back of Pickup Trucks Be Secured** **LV/WD**

SPONSOR(S) LUTHER	COMMITTEE REPORT LV/WD	AMENDMENTS ADOPTED
-----------------------------	----------------------------------	---------------------------

SUMMARY

This bill would have required the operator of a pickup truck to ensure that children under 16 years of age are seated and secured when riding in areas of the truck that are not enclosed or not designed as seating. This bill, if enacted, would have allowed for a six month warning period, followed by a civil fine of \$25 for the first violation and a \$50 fine for subsequent violations.
