COMMITTEE REPORT

AMENDMENTS ADOPTED

SUMMARY

This bill would have provided a different method of reducing the state subsidy to school administrative units that receive federal impact aid. It would have allowed each unit to retain a greater amount of federal impact aid to cover costs for those students above the subsidized amounts before subtracting any additional amounts from the state subsidy of the unit. Current law requires local units to subtract from the state subsidy an amount equal to the impact aid received, multiplied by a fraction equal to subsidizable costs in the base year divided by all costs in the base year.

SUMMARY

This bill appropriates \$11,320 to continue the Surname Index Project under the direction of the Maine State Library. The project is a largely volunteer project begun in 1970 to record, catalogue and index genealogical and historical data about early Maine settlers.
