An Act to Permit the Amendment of Municipal Ordinances at Town MeetingsSPONSOR(S)
RICHARDSCOMMITTEE REPORT
LV/WD

AMENDMENTS ADOPTED

SUMMARY

The bill would have allowed the voters of a town to consider proposed amendments at the time the ordinance was brought before a town meeting. Only the board of selectmen would have been permitted to offer proposed amendments, but citizens of the town could have requested that the selectmen offer certain amendments. The town meeting moderator was responsible for recording the final language of any proposed amendment and for providing this language to the voters. The scope of proposed amendments was restricted by requiring that the amendment pertain to the subject matter of the ordinance and by prohibiting amendments that amounted to a wholesale revision of the ordinance. Finally, the bill required any proposed amendment to be approved by the voters in the same manner as the ordinance that it amended, whether by vote in open town meeting or by secret ballot.
