SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
BUSTIN BALDACCI STEVENS A SHELTRA	OTP-AM	H-573 GRAHAM S-199

SUMMARY

This bill encourages the use of social security numbers as a means of identifying credit consumers, requires that a person requesting credit be informed that a credit report on that person may be requested and increases to 30 business days the time in which a credit company must respond to a complaint.

Committee Amendment "A" does the following:

1. Changes from 30 business days to 21 calendar days the time within which a credit reporting agency must respond to a consumer complaint;
2. Makes it even clearer that a consumer may choose whether to provide a social security number;
3. Establishes a 60-day period during which a consumer who has been turned down for credit may request disclosure of the consumer's file without charge;
4. Limits the liability of a credit reporting agency that responds to a telephone inquiry from a consumer when the credit reporting agency has utilized reasonable procedures to ensure proper identification of the consumer;
5. Allows credit report items, deleted following dispute and investigation, to be added back into a consumer's file if the items are subsequently verified as accurate by the credit reporting agency;
6. Authorizes the Bureau of Consumer Credit Protection to register credit reporting agencies operating in the State;
7. Provides that credit reports will reflect the name of the original debtor; and
8. To allow preparation by credit reporting agencies, creditors and regulators, provides for an effective date of January 1, 1992.

House Amendment "A" clarifies that users must request social security numbers only in connection with initial credit applications and not for prescreening operations or for routine review of credit reports for existing customers of the users.
