An Act Concerning Late Support Payments

PUBLIC 329

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
MORRISON	OTP-AM	H-221
DUPLESSIS		H-336 MANNING

SUMMARY

Currently, to receive aid to families with dependent children benefits, the recipient must agree to have the department collect any support payments that are owed by the responsible parent. If the payment is not received by the department until later than the month when the payment was due, the department does not pay the recipient the amount of the support that is greater than the aid to families with dependent children grant amount, but less than the "full standard of need" as set by the department. This bill requires the Department of Human Services to pay the full amount of "pass through" and "gap" payments, regardless of when the responsible parent made the support payment or when the department received the payment.

Committee Amendment "A" (H-221) replaces the original bill. It requires that, by July 1, 1992, all notices given by the Department of Human Services in support collection cases have a readability level of no higher than 6th-grade reading level. It also requires the department to notify responsible parents that late support payments may be retained by the department rather than being "passed through" to the child. The amendment also adds a fiscal note and appropriation to the Department of Human Services to cover the costs of rewriting forms to conform with the 6th grade readability requirement.

House Amendment "A" (H-336) amends Committee amendment A. It allows the Department of Human Services to make its notices readable at a 6th-grade level within existing resources over time as it changes its forms. Because an appropriation is no longer required, the amendment strikes the appropriation and allocation sections and replaces the fiscal note.

An Act to Clarify the Licensing Status of Acute Care Units at State Mental Health Institutes

**PUBLIC 104

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED

SUMMARY

This bill clarifies that the hospital licensing requirement applies only to acute care units when applied to state mental health institutes. This bill also resolves a conflict created in the Second Regular Session of the 114th Legislature by incorporating language from both Public Law 1989, chapter 875 and Public Law 1989, chapter 878.
