H-884**SUMMARY**

This bill requires that an office or itinerant worker from the Department of Human Services be available in each county on a regular biweekly basis to assist people applying for benefits or seeking information on services offered by the department.

Committee Amendment "A" (H-884) replaces the original bill. The amendment repeals Resolve 1975, chapter 54, which requires the Department of Human Services to maintain an office in Belfast, thereby giving the Department of Human Services greater flexibility in allocating its regional resources. The amendment states that the Legislature's intent is for the department to use the flexibility to provide intake services in each county in the most cost-effective manner.

House Amendment "A" (H-1334) replaces Committee Amendment "A." Resolve 1975, chapter 54 is not repealed, and provisions are made for offices in Lincoln and Oxford counties. The Lincoln and Oxford offices are contingent upon office space being provided at no charge to the Department of Human Services. The amendment requires the department to report to the Legislature by November 1, 1993 concerning its presence in each county. The amendment also adds a provision authorizing the Department of Human Services to transfer up to \$100,000 of unexpended funds in fiscal year 1992 to contract for outstationing of eligibility workers in accordance with the federal Omnibus Budget and Reconciliation Act of 1990.
