**SUMMARY**

This bill permits licensed racetracks to conduct pari-mutuel wagering at off-track betting facilities. The bill establishes the process for licensing of the off-track betting facility by the Harness Racing Commission, and provides for the allocation of wagering revenue to the State, the Agricultural Stipend Fund, the Sire Stakes Fund and the horsemen's purse account.

Committee Amendment "A" (H-541) makes several changes in the bill, including the following:

1. Grants authority to the Harness Racing Commission to adopt rules for the licensing and operation of off-track betting facilities and requires notice to the Joint Standing Committee on Legal Affairs of any proposed rule or amendment;
2. Clarifies that only operators of licensed tracks in the State who conducted racing on at least 25 days in the previous year may conduct pari-mutuel wagering at off-track betting facilities;
3. Requires municipal approval of an off-track betting facility;
4. Requires an off-track betting licensee to ensure that persons under 16 years of age do not enter the off-track betting facility unless accompanied by a parent, guardian or custodian and that persons under 16 years of age stay at least 15 feet from any betting window;
5. Prohibits simulcasting to an off-track betting facility within 50 miles of any live racing on the same day, or within 75 miles during the same hours as that live racing, without approval of the licensee of those races and the commission;
6. Permits simulcasting to off-track betting facilities of races from outside the State only if the races are also being simulcast to the off-track betting licensee's racetrack;
7. Changes the distribution of commissions on off-track betting wagers to be essentially the same as the distribution on wagers made at the track; and
8. Repeals the authority for off-track betting facilities 91 days after adjournment of the 117th Legislature and requires the commission to report to the Joint Standing Committee on Legal Affairs by January 1, 1995.
