COMMITTEE REPORT

AMENDMENTS ADOPTED

SUMMARY

This bill would have provided for the appointment of special absentee ballot clerks from each of the major political parties to deliver and return absentee ballots. Only these special clerks, municipal clerks, the postal service, spouses and biological relatives of an absentee voter would have been permitted to handle absentee ballots. Under current law, any 3rd person may deliver absentee ballots to voters and return them to the municipal clerk. See LD 1021 for changes to the delivery of absentee ballots by 3rd persons.

LD 1025

An Act Relating to Certain Types of Indemnity Provisions in Construction Contracts

COMMITTEE REPORT
LV/WD

AMENDMENTS ADOPTED

SUMMARY

This bill would have declared void and unenforceable so-called "broad form" hold-harmless clauses in construction contracts. These clauses require the contractor to indemnify the owner or other party to the construction contract for injury or damage caused by someone in the control of the owner or other party.

LD 1027

An Act to Inform the Public About Drug-free School Zones

ONTP

COMMITTEE REPORT
ONTP

AMENDMENTS ADOPTED

SUMMARY

This bill would have required the Commissioner of Public Safety to post the areas around schools as drug-free school zones and would have caused public service announcements to be made to inform the public of the existence of drug-free school zones and the consequences of dealing drugs in such areas. Under Maine law, trafficking in drugs within 1,000 feet of the property of a school carries a greater penalty than trafficking elsewhere.
