AMENDMENTS ADOPTED
H-449

SUMMARY

This bill amends current language restricting expenditure of child support collection incentive revenue and provides an allocation of that federal revenue for teen parent programs. The bill also provides a General Fund appropriation to the Department of Human Services to provide a 10% cost-of-living adjustment to those programs that serve at-risk, pregnant and parenting teens and to contract for 8 community information and education specialists who will serve clients at each of the regional family planning sites.

Committee Amendment "A" (H-449) replaces the original bill. It requires the Department of Human Services to develop a plan and adopt rules to maximize Medicaid coverage for targeted case management for pregnant and parenting teenagers. It also requires the Department to give priority for child care vouchers to teen parents. The amendment also adds an allocation section and a fiscal note to the bill.
