SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
MARTIN J BUSTIN CARROLL D		

SUMMARY

The bill tracks the Model State Volunteer Service Act, December 1990, developed by the United States Department of Justice and is intended to serve the purposes outlined in the preamble to that Act. It would provide immunity from suit for the acts and omissions of volunteers to nonprofit organizations, corporations or hospitals when acting within the scope of their official functions. Unlike the model act, volunteers to governmental entities are not covered as they are already granted immunity under the Maine Tort Claims Act. Suits against volunteers for motor vehicle accidents would be excluded from this immunity up to the limits of applicable insurance coverage.

3. Require that a report on any finding of negligence by the panel members be sent to and maintained by the Board of Registration in Medicine.

The bill would repeal the provisions of the Maine Health Security Act regarding structured awards and limitations on contingent fees.

The bill would provide access to proceedings and records of the Board of Registration in Medicine by the mediation panels established pursuant to the Maine Health Security Act.
