If you have any suggestions or comments on these summaries, please let us know.

Purchasing Agent was also required to notify potential bidders of this prohibition and to obtain from the bidders authorized statements detailing the extent of their involvement with the Republic of South Africa prior to completing any contract.

Committee Amendment "A" added an appropriation section and a fiscal note to the bill.

Senate Amendment "B" removed the definition of "comparable low bid or offer" and deleted the requirement that the State Purchasing Agent update the list of companies doing business with the Republic of South Africa every 3 months. This amendment added a definition of "distribution agreement" and expanded the definition of "doing business with the Republic of South Africa." It also clarified the prohibition on state purchases from companies doing business in the Republic of South Africa, but exempted companies that adhere to or are signatories to the Sullivan Principles.

SUMMARY

This resolution proposed a referendum to amend the Constitution of Maine by repealing the provision requiring that revenues derived from fees and taxes related to the registration, operation and use of vehicles on public highways be spent for highway purposes. The resolution would have permitted those funds to be used for other governmental purposes.

SUMMARY

This bill amended existing law to allow municipalities to guarantee loans to councils of government and regional planning councils if a municipality's legislative body authorizes such a guarantee.

The emergency preamble of the bill appeared to authorize both the councils of government and regional planning councils to seek loan guarantees from individual municipalities. Committee Amendment "A" clarified that only councils of government were authorized to seek municipal guarantees.

Senate Amendment "A" limited the municipal guarantee authority created by the bill to the Greater Portland Council of Governments.
