SUMMARY

This bill prohibits the use of stickers as the method of affixing the refund value to beverage containers sold through nonexclusive distributorships. This restriction is necessary in order to prevent parties other than the legally authorized initiators of the deposit from determining the amount of, and initiating, the deposit.

Committee Amendment "A" grants an exception in specific instances when permission is obtained from the Department of Agriculture, Food and Rural Resources.

Maine currently has the following restrictions on the practice of optometry:

<u>Prohibition</u>	<u>Title 32</u>
1. Prohibits employment by unlicensed persons	§2434, sub-§1, §2435
2. Prohibits partnership with non-optometrist	§2434, sub-§1, §2435
3. Limits branch offices to 2	§2431-A, sub-§2, ¶N
4. Prohibits practice on premises where non-optometry goods are sold	§2431-A, sub-§2, ¶J
5. Prohibits leasing office space from opticians	§2434, sub-§4
6. Prohibits encouraging optometry services to be promoted as part of a commercial establishment	§2434, sub-§4
7. Prohibits practice under name other than that of licensee	§2431-A, sub-§2, ¶K
8. Prohibits fee splitting	§2431-A, sub-§2, ¶P

This bill repeals the law governing items 1, 4, 5, 6 and 8 and one statute affecting #2.

The bill requires referral to an ophthalmologist of cases of suspected pathology. It forbids conditioning the provision of an eye examination on the purchase of glasses. The bill also requires an optometrist to make available to persons using the optometrist's services copies of documents in the possession and control of the optometrist when the documents have been prepared for and purchased by the user of the services.
