SUMMARY

Last year a bill was passed that required that advanced notice be given to the Attorney General when sale of a gasoline service station was contemplated, in order to give the Attorney General time to rule on any anti-trust implications of the sale. This bill adds firms that sell heating oil to the provisions of this law.

LD 1891 An Act Concerning Railroad Personnel**CARRIED OVER**

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
HUSSEY		H-557
MCKEEN		

SUMMARY

This bill repeals the law regulating railroad personnel. The United States District Court case, Belfast & M.R.R. et al. v. Peter Dufour et al., United States District Court, District of Maine CV-90-0114P (March 11, 1991), has determined that the provisions of Title 32, chapter 60 offend the Supremacy Clause, Article VI, Section 2 of the United States Constitution and therefore render chapter 60 unconstitutional.

The bill also provides for the refunding of all fees paid to the Board of Licensure of Railroad Personnel by individuals pursuing licensing under Title 32, chapter 60.

Committee Amendment "A" adds an appropriation and fiscal note to the bill.

LD 1909 An Act to Regulate Certain Warranty Practices for Repairs to Watercraft**CARRIED OVER**

MELENDY		

SUMMARY

This bill provides that watercraft dealers that provide parts for, or perform labor on, watercraft or engines for watercraft to satisfy a manufacturer's warranty are entitled to "adequate and fair" compensation for parts and reimbursement for labor at a rate not less than the rate customarily charged by the dealer for nonwarranty work. The bill parallels a similar provision for motor vehicle warranty repairs under the Maine Revised Statutes, Title 10, section 1176, which deals with regulation of the relationship between car manufacturers and car dealers.
