SUMMARY

This bill makes a number of deallocations from the State Highway Fund for the fiscal year ending June 30, 1991. These deallocations reflect necessary cutbacks due to the State's fiscal crisis. The bill also deallocates \$12,720,000 from the State Highway Fund for highway and bridge improvements and then allocates the same amount of money from the Federal Expenditure Fund to fund these highway and bridge improvements.

Committee Amendment "A" (H-681) clarifies the deallocation of the salary plan administered by the Department of Finance. The amendment also adds a fiscal note to the bill.
