**ONE HUNDRED AND FIFTEENTH LEGISLATURE
SECOND REGULAR SESSION**

**JOINT STANDING COMMITTEE
BILL SUMMARIES**

MAY 1992

This document is a compilation of the bill summaries prepared by this office for the Joint Standing Committees and Joint Select Committees of the Maine Legislature. The volume is organized alphabetically by committee; within each committee, the summaries are arranged by LD number. A subject index is provided at the beginning of each committee's summaries.

All adopted amendments are listed, by paper number (e.g., H-584 or S-222), together with the sponsor for floor amendments. Final action on each bill is listed to the far right of the title. Various types of final action are abbreviated as follows:

CON RES XXX	Chapter # of Constitutional Resolution passed by both Houses

These summaries were prepared by the analyst or analysts assigned to the committee. But, this document was produced by the efforts of all the office staff, including secretaries: Charlene Raymond and Valarie Parlin, especially Laurette Knox who coordinated preparation of the overall document.

If you have any suggestions or comments on these summaries, please let us know.

House Amendment "B" (H-1278) requires animal control shelters to hold dogs at least 8 days before euthanasia unless a veterinarian authorizes euthanasia for medical reasons. The amendment allows the shelter to assume ownership of a dog for the purposes of adoption immediately upon determining that the dog is abandoned. The amendment also requires animal control shelters to establish and collect fees to offset the cost of keeping dogs beyond 6 days when the dog is reclaimed or adopted.

Senate Amendment "H" (S-783) delays the 1991-92 portion of the working capital advance until after July 1, 1993. It also adds a definition for "abandoned dog" and deletes a deappropriation in conflict with the budget bill.

LD 2044 **An Act Concerning the Shared Use of Crop-handling Equipment by Seed Potato Growers** LV/WD

SPONSOR(S) MAHANY	COMMITTEE REPORT LV/WD	AMENDMENTS ADOPTED
-----------------------------	----------------------------------	---------------------------

SUMMARY

This bill provided that if 2 or more seed potato growers shared crop-handling equipment and the seed potatoes of one grower were not certified because of the presence of pathogens, then the seed potatoes of the other growers could not be certified unless the equipment had been washed and disinfected under the supervision of a certified seed potato inspector.

LD 2066 **An Act Concerning the Management of the Potato Marketing Improvement Fund** ONTP

SPONSOR(S) PINES LUDWIG	COMMITTEE REPORT ONTP	AMENDMENTS ADOPTED
--------------------------------------	---------------------------------	---------------------------

SUMMARY

This bill allowed Potato Marketing Improvement Fund borrowers to purchase their own mortgages at a discount. The bill addressed the concern that the Department of Agriculture, Food and Rural Resources might be unable to protect its interest in collateral at a foreclosure or other forced sale because of insufficient availability of funds. The bill allowed the Commissioner of Agriculture, Food and Rural Resources to sell enough of the loan portfolio to raise sufficient cash to address such an emergency.

LD 2087 **An Act to Allow the State Harness Racing Commission to Adopt a Controlled Medication Program** PUBLIC 677
