If you have any suggestions or comments on these summaries, please let us know.

The bill clarifies that a person causing a discharge is liable to the State for disbursements made from the Maine Coastal and Inland Surface Oil Clean-up Fund for spill-specific studies and for collection fees.

The committee amendment (H-971) ensures that vessels engaged in oil spill response are not subject to the licensing and license fee requirements of the Maine Coastal and Inland Surface Oil Clean-up Fund.

The amendment clarifies that personnel costs reimbursed to the Maine Coastal and Inland Surface Oil Clean-up Fund by a person who caused the discharge must be personnel costs for those people directly cleaning up the spill.

The amendment also requires the Legislature to review the continued need for the Oil Spill Advisory Committee in 3 years. The amendment also adds a fiscal note to the bill.

LD 2165 **An Act to Authorize Forest Rangers to Enforce the Rules and Laws Pertaining to the Bureau of Public Lands** PUBLIC 652

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED

SUMMARY

This bill enables rangers to enforce the rules and laws governing the use of the State's public lands that are under the jurisdiction of the Bureau of Public Lands. This authorization will enable rangers to provide law enforcement assistance to the Bureau of Public Lands on those occasions when such assistance is needed, or when a forest ranger may be the only readily available law enforcement officer.

A committee amendment (S-538) adds a fiscal note to the bill.
