These summaries were prepared by the analyst or analysts assigned to the committee. But, this document was produced by the efforts of all the office staff, including secretaries: Charlene Raymond and Valarie Parlin, especially Laurette Knox who coordinated preparation of the overall document.

If you have any suggestions or comments on these summaries, please let us know.

The amendment allows a business suffering injuries due to a violation of any of these provisions to bring a civil action.

The amendment also sets up a committee to advise the Attorney General on matters pertaining to marketing of petroleum products.

House Amendment "A" (H-1166) to Committee Amendment "A" deletes the separate reporting requirement for wholesalers and combines wholesaler and refiner reporting, adds an exemption for large municipalities to the geographic radius anticompetitive trade practices provision and adds 2 retailers to the Petroleum Advisory Committee.

House Amendment "B" (H-1229) to Committee Amendment "A" gives the Governor authority to appoint the 2 trade association members who previously had been the presidents of the 2 trade associations.

Senate Amendment "A" (S-643) to Committee Amendment "A" removes the provision that would prohibit agreements of more than one year in duration for the retail sale of home heating oil to residential customers.

Senate Amendment "B" (S-657) to Committee Amendment "A" eliminates the retailer reporting requirement and the prohibition against home heating oil contracts of over 1 year. It specifically prohibits unfair competition or trade practices and allows the Attorney General to define these terms.
