If you have any suggestions or comments on these summaries, please let us know.

Committee Amendment "A" (H-1114): The amendment makes technical changes to the bill. The bill as amended removes the restrictions on the use of a power of sale in mortgages added in 1991 because of the title problems apparently caused by retaining the language. The amendment repeals the changes made by this amendment in 1993 to give lawyers who practice in this area of the law the incentive to redraft this provision in the law and to provide adequate protection from use of the power of sale to foreclose a mortgage on a natural person's primary residence.

The amendment is not intended to affect any power of sale incorporated into a mortgage granted prior to October 1, 1991.

LD 2209 An Act Concerning Juvenile Offenders

LV/WD

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
MARTIN J ANTHONY BUSTIN MELENDY	LV/WD	

SUMMARY

The bill distinguished those juveniles that commit crimes with a firearm or other dangerous weapon from juvenile felons whose crimes did not involve a threat with a weapon against another person. It provided that persons whose juvenile crimes are not committed with the use of a weapon are treated, with respect to gun ownership, in a manner consistent with other provisions of state law. A juvenile committing a felony would not be permitted to own or use a firearm for at least 3 years. The earliest the prohibition would be lifted would when the person becomes 18 years of age and the latest would when the person becomes 21 years of age. A juvenile committing any crime with the use of a weapon would not be able to own or use a firearm without going through the elaborate permitting process required for adults.

The bill also changed a question on the concealed firearms permit application form to make it consistent with other questions on the form.

LD 2221 An Act Pertaining to the Issuance of Orders in Domestic Abuse and Harassment Cases

PUBLIC 760
EMERGENCY

SPONSOR(S)	COMMITTEE REPORT	AMENDMENTS ADOPTED
MARSANO RICHARDS CAHILL P	OTP-AM	H-1113

SUMMARY

The bill limits to the District Court the authority to issue protection orders in abuse cases. Entry of the order of protection or the consent agreement may still be done in Superior Court but issuance of the order is only done by the District Court. An order may not be entered if there is a conflicting order in effect.

Committee Amendment "A" (H-1113): The amendment replaces the bill. It revises the jurisdiction of the District Court and Superior Court regarding issuance of protection from abuse and protection from harassment orders. The amendment removes jurisdiction from the Superior Court to hear and adjudicate protection from harassment and protection from abuse cases, except that a Superior Court Justice may issue a temporary protection order. If a Superior Court Justice issues a temporary order, the case is still docketed in the District Court and all further proceedings must be conducted in the District Court.
