H-1185 MITCHELL E**SUMMARY**

This bill explicitly requires that beginning January 1, 1993 an insurance company notify an insured person before it cancels a group health insurance contract for nonpayment of premiums.

This bill also corrects a conflict created by 2 public laws enacting the same section.

Committee Amendment "A", H-1155, changes the requirement of notification of cancellation of group health insurance for nonpayment of premium from prior notification to notification on the same day as notice of cancellation is mailed to the group. It requires mailed notice to the group and to the group members at the last address provided by the group or at work and to the Bureau of Insurance and the Department of Labor, Bureau of Labor Standards. This amendment also increases from 31 days to 90 days the conversion rights of the group members.

House Amendment "A", H-1185, adds an allocation section.
