S-699 BALDACCI**SUMMARY**

The original bill provides for the position of chiropractic assistants similar to the position currently in law for physicians assistants. The bill does not, however, set up a certificate and registration provision for chiropractic assistants.

Senate Amendment "A" adds the certification and registration provisions, a provision for termination of certification and a requirement for a report by the Board of Chiropractic Examination and Registration to the joint standing committee of the Legislature having jurisdiction over business legislation matters on the approved training programs for chiropractic assistants.
