ONTP MIN

AMENDMENTS ADOPTED

SUMMARY

This bill would have amended the family medical leave requirements by extending coverage to employers with more than 25 employees, rather than 25 employees at a permanent work site.

The majority report of the committee amended the bill to clarify that only employers with more than 25 employees in the state would be covered, it provided that the Department of Labor need not update its printed notice of employment laws, and it added a fiscal note.

LD 433

An Act to Promote Equity in Wages and Benefits in Public Contracts with Private Contractors

DIED BETWEEN BODIES

SPONSOR(S)
LUTHER

COMMITTEE REPORT
OTP-AM MAJ
ONTP MIN

AMENDMENTS ADOPTED

SUMMARY

This bill would have required private contractors who provide personnel to perform services for the State to adhere to specific wage and benefit guidelines established by the Commissioner of Labor. The wage rates paid would be based on the prevailing wage rates in the state.

The majority report of the committee amended the bill so that it would have only applied to contracts for services previously provided by state personnel and so that the wage rates would be based on state employee rates, rather than rates prevailing in the state. It also added a fiscal note.
