An Act to Develop Standards for the Licensure of Hospice Programs**SPONSOR(S)**
KILKELLY**COMMITTEE REPORT**
OTP-AM**AMENDMENTS ADOPTED**
H-946**SUMMARY**

This bill requires as of January 1, 1995 that hospice programs be licensed by the State.

COMMITTEE AMENDMENT A (H-946) clarifies the treatment under licensing rules of volunteer hospice programs. It also clarifies that the Department of Human Services, not the Maine Hospice Council, will adopt the licensure rules. The amendment also changes the original bill as follows.

The bill grants "deemed" licensure to any hospice that meets Medicare hospice rules. The amendment allows "deemed" status only if a facility has had a Medicare survey within the previous 3 years.

The amendment grants to Clover Hospice in Auburn an exception until January 1, 1996 of the so-called Medicare "80/20" rule, which requires inpatient hospice programs to be associated with certain levels of in-home hospice services. At present, Clover Hospice does not meet the "80/20" rule.

The amendment adds an appropriation section and a fiscal note to the bill.

LD 1824 An Act to Strengthen the Coordinated Delivery of Substance Abuse Services in the State**SPONSOR(S)**
HARRIMAN**COMMITTEE REPORT**
OTP-AM MAJ
OTP-AM MIN**AMENDMENTS ADOPTED**
S-508**SUMMARY**

This bill moves substance abuse programs within the Department of Public Safety and the Maine National Guard to the Office of Substance Abuse in continuation of the substance abuse program consolidation mandated by PL 1993, c. 410, Pt. LL. The bill also continues the consolidation of substance abuse programs from the Department of Education and the Department of Corrections into the Office of Substance Abuse.

COMMITTEE AMENDMENT A (S-508) is the majority report. It differs from the original bill as follows.

The original bill added the Department of Public Safety and the Maine National Guard to the list of agencies and departments whose substance abuse programs would be consolidated within the Office of Substance Abuse. The amendment instead requires the Office of Substance Abuse to enter into an interdepartmental memorandum of agreement with those agencies.

The amendment corrects the fund and employee transfers being made from the Department of Education to the Office of Substance Abuse and adds transitional language regarding the employees who are transferred.

The amendment corrects the amount of funds transferred from the Department of Corrections to the Office of Substance Abuse.

The amendment corrects technical errors made when the composition of the Substance Abuse Services Commission was changed in P.L. 1993, c. 410.

The amendment requires the Substance Abuse Services Commission to submit a report to the Legislature regarding the request-for-proposal system that is used to award and renew new and existing contracts from the Office of Substance Abuse.
